OUR PHILOSOPHY

AGRO.VI.M aims to provide its customers **premium quality Greek products of unique taste**, by incorporating its forefather's wisdom of traditional harvesting into the modern production methods, whilst **respecting the environment and the treasures offered by mother Earth**.

The procedures that we follow, from the growing of the olives, the harvesting, the processing and the bottling, are all subject to **very strict organic food inspections and controls** so as to offer you a highly acclaimed extra virgin olive oil.

Authentic organic Greek extra virgin olive oil is renowned worldwide for its refined taste & exquisite quality. Every drop is packed with health-enhancing polyphenols, antioxidants & vitamins, and free from fertilizers & pesticides - just as nature intended.

Strong expertise for more than 50 years in the business.

Focuses on building strong partnerships and strategic investments.

Exports to more than 50 countries with over 200 customers around the Globe.
