GOLDEN LINE GREEN OLIVES

ILIADA Green olives predominate over the other types of green olives in quality and taste. The most famous green olives are those from Amfissa and Chalkidiki, areas in Greece with unique climate and soil characteristics. The fruits are collected with traditional methods and the harvesting period is made earlier than the other varieties in order to have this characteristic intense green color.

Characteristics:

- Originally large sized
- Conical – cylindrical shape
- Crunchy flesh
- Distinct intense green color
- Slightly bitter taste with a hint of fruity aroma
- Free of additives and preservatives
- Ideal for stuffing

KEY INFORMATION

- Good source of Vitamin E
- Good source of omega fatty acids
- Contain monounsaturated fats
